

Color Today Pretty: An Inspirational Guide to Living a Life in Perspective

Through relatable and powerful true stories, Stephanie Feger inspires you to lead your own life more richly in *Color Today Pretty: An Inspirational Guide to Living a Life in Perspective*. Learn how to rise above disappointment or hardship, to prevent monotony from clouding your ability to savor profound moments, and to hold onto happiness and faith no matter what comes your way.

Color Today Pretty, which debuted as an Amazon #1 best seller in its category, is more than a book – it’s a way of living that underscores the need for compassion, curiosity and unwavering love. Come with Stephanie on an intimate walk of reflection and an exploration of how true perspective changes everything – including how we love, forgive, appreciate and awaken to now possibilities.

Color Today Pretty Guided Journal

Your life is promised to have twists and turns, unavoidable hurdles, and unexpected and, many times, unwanted detours. While some of these diversions present you with new challenges for you to face, over time, many prove to be filled with new opportunities – ones that take you down paths that your journey was destined for all along!

Stephanie Feger invites you into her stories laced with vulnerability and optimism in hopes that you will begin to shift how you see the world — and how you see yourself — and find ways to redefine success, see the extraordinary in the ordinary and live a life full of happiness, peace and, well, color! The *Color Today Pretty*

Guided Journal parallels the stories found within Stephanie’s book, *Color Today Pretty: An Inspirational Guide to Living a Life in Perspective*, while giving you the opportunity to bring the words off the page and into your life.
